

REMARKS

All claims are allowed. In response to the notice, herein Applicant is updating the application data for the application referenced on page 18 of the originally-filed specification. Applicant notes that this referenced application was filed on the same date as the other application upon which this application claimed priority (this application also claims priority on the referenced application) and is so reflected on the filing receipt for this application. No new matter has been added by this Amendment.

Please charge any additional fees due, or credit any overpayment, to Deposit Account No. 50-0251, ~~or backup Deposit Account no. 12-2175.~~ *OK*

Entry of this amendment is requested. If there are any questions, Applicant's attorney requests an opportunity to discuss such questions with the Examiner by way of a telephone or in-person interview.

Respectfully submitted,

Receipt is a knowledge of the provisional Patent Application received by the Office and we become abandoned not later than twelve months after its filing date. The Office will not accept an application for a regular patent based on this provisional patent unless the applicant files a regular patent application within the twelve-month period. Fee payment by check or draft is subject to collection. Please retain the receipt of this filing. Receipts will be changed and revised. If you received a "Notice to File Missing Pages" for this application, please attach any corrections to the filing receipt with your reply to the Notice. When the USPTO receives the reply to the Notice, the USPTO will transmit another filing receipt for the corrected application (if appropriate).
